

Data Sheet Set – Toilet Seats for Seima Toilets

Which seat suits my toilet?

Check the table to see which seats are compatible with your toilet model. Many toilets have multiple seat options, while others suit their own seat only. For seat details, refer to the following pages.

Soft-close seats

All Seima toilet seats are soft closing, except Care Accessible toilet seats which cannot be soft-close by regulation.

Quick-release seats Easy to remove and clean

All of Seima's in-wall and wall faced toilet suites have quick-release soft closing seats that locate onto stainless steel pins on the pan.

This design makes it easy to remove the seat to clean the toilet pan and seat easily.

Please note

- Installation shall be in accordance with AS/NZS3500.
- All measurements are in millimetres. Height dimensions are to base of pan. Make allowance for bedding.
- Bedding: Pan may be bedded with cement base or using silicone sealant. Fix pan to floor using a sand cement mixture of 3:1 to a depth of 60mm. Do not use lime or fast-drying cement.

- Bracket fixing: The pan should be bedded with silicone sealant and fixed with the brackets supplied.
- Do NOT use epoxy type adhesives.
- Dimensions are nominal and subject to normal ceramic manufacturing variations.
- Specifications may vary without notice as part of our continuous improvement practices.
- Clean with a damp cloth. Do not use abrasive cleaners, liquids or pastes.
